UPH Resistor Thick Film 1206 1206. 0.25W. +105 °C. 820R. 821

|                  |                              |
|------------------|------------------------------|
| Model / GTIN     | Resistor                     |
| Item Condition   | New                          |
| Part Description | SMD Resistor 820R. 821       |
| Part Number      | 70198- 1206. 0.25W. +105 °C. |
| Warranty         | 1 Month(s)                   |
| Info 4           | 3.1x1.55x0.55 Height         |
